INFORMATION AND INSTRUCTIONS FROM FUNDACIÓN MUSEO PICASSO MÁLAGA
REGARDING RISKS ASSOCIATED WITH CORONAVIRUS COVID-19

In accordance with the information supplied by the Spanish Ministry for Health regarding the specific assessment of risk from exposure to SARS-COV-2, and for the duration of legislated health restrictions, as the legal owners of the workplace we request that:

Prior to any work being carried out on the premises:

- Specific coronavirus risk assessment be carried out
- Staff training credentials be provided

Please state if you do not yet have these documents or if it is still pending.

During your presence in the workplace:

- Masks must be worn to access the workplace and are compulsory when entering and leaving the premises, during transit through any corridors and common areas, and when undertaking work in which you are unable to keep to the 2-metre safety distance.

- Please wash your hands when you enter the premises, and regularly throughout the time you spend there if your work involves handling objects and/or tools that are not for your own exclusive use. Hand sanitizer is available at all entrance points.

- Respect the safety distance and avoid any physical contact with other people by keeping 2 metres away from each other whenever possible.

- Avoid touching anything unless necessary (counters, furniture…)

- Follow the appropriate protocols on breathing and if you do not have any disposable tissues, use the inside of your elbow to cough or sneeze.

- Always follow the instructions of our staff and please respect the signage on the premises.

If during your time in the workplace you experience symptoms compatible with Coronavirus, such as a high temperature or a dry cough:

- Please inform your contact in the workplace, stay away from other people and do not touch anything.

- Tell your contact about all the areas you have been in, the materials you have touched and the people with whom you have interacted.

- Please leave the premises as soon as possible, wearing a mask.
