

HELP US TO CARE FOR ART. Recommendations for visit

We are delighted to offer you secure facilities following guidelines of social distance, hygiene measures and, limitation of capacity established by the authorities.

Before your visit:

- We encourage you to get your tickets [here](#), for the day and time preferred. What happens if you do not arrive on time? Access will be facilitated as soon as capacity allows.
- In case of acquiring your ticket at Museum's box office, we recommend payment with credit card.
- Cloakroom service is temporarily unavailable. Please access the museum only with small handbags or backpacks, hanging on your front.
- The museum does not have room to leave means of transport such as skates, tricycles, bicycles, etc.
- It is not permitted to enter the Museum with food and drink, neither to smoke inside the Museum.
- It is not permitted to bring animals, guide dogs are welcome.
- There's an access for people with reduced mobility. Please request the personnel on duty or ring the bell at the indicated access point next to the main entrance.

HELP US TO CARE FOR ART. Recommendations for visit

During your visit please remember to:

- The use of a mask is recommended.
- Hydroalcoholic gel dispensers are available.
- It is recommended to respect interpersonal distance.
- To ensure the safety of the artworks do not touch them and please keep reasonable distance away from them.
- Please put your mobile phone onto silence when visiting the exhibitions or when attending screening or concerts in order to respect other visitors.
- Please keep your ticket on you during your whole visit.

Facilities of the Museo Picasso Málaga are cleaned and disinfected daily.

Museum personnel have an adequate training in order to solve any doubt you might have. Feel free to ask us.

For any additional information before your visit reach us at info@mpicassom.org.

See you at the Museum!
